Help

Registration

A valid user account is required to use the eIRB system. If you are a first time user, please complete the following information for registration. Note, depending on your home institution, you may be required to provide additional information before accessing the system. Once your request has been validated, you will receive a username and password via e-mail within one business day. The first time you login, the system will prompt you to change the temporary password.

Project Workspace

Current State

Tools

Activities

The screenshot shows a web browser window displaying the Health Sciences South Carolina Project Workspace. The browser title is "test11 - Windows Internet Explorer" and the address bar shows the URL: <http://hssc.scr.a.org/HSSC-IRBDEV/Rooms/DisplayPages/LayoutInitial?Container=com.webridge.entity.Entity%5B0ID%5B6CE>. The page header includes the Health Sciences South Carolina logo and navigation links: "usc usc-pi1 | My Home | Logoff". The main navigation menu includes "Portal Home", "Studies", "Login Registration", and "Help/FAQ". The current page is "Studies > test11".

The interface is divided into several sections:

- Current State:** A dropdown menu showing "Pre Submission".
- Tools:** A list of buttons: "Edit Study", "Printer Version", "View Differences", and "View Smartform Progress".
- My Activities:** A list of buttons: "Submit Study", "Edit Study Access", "Withdraw", and "Copy Study".

The main content area displays study details for "Study: test11 (Pro00000316)":

- Description: test
- Principal Investigator: usc usc-pi1
- Study Coordinator:
- Campus: University of South Carolina
- Review Type: Full IRB Review

Below the details are tabs for "History", "Attachments", "Pre Review Status", "Reviewer Notes", and "Change Log". The "History" tab is active, showing a message: "This area shows instructions and questions and important notifications regarding this Study." Below this message, it states: "The query produced no results."

The footer of the page includes the copyright notice: "© 2006 Health Sciences South Carolina. All Rights Reserved." The browser's taskbar shows the Start button, Microsoft PowerPoint, and the test11 - Windows Int... window. The system tray shows the date and time: 5:13 PM.
